Public Address equipment for indoor or outdoor events (meetings, parties, quizzes, fairs, shows, carnivals etc ) Installation operate and clear up team available POA

Delivery of equipment may be charged depending on circumstances - please enquire POA

## Notes on Hire rates

Rates are for up to four days hire (including delivery and collection), and there are three ways that facilities can be hired

1. First hire alternative – The hirer collects, erects, removes and returns the equipment (we can advise size of team needed).
2. Second hire alternative – The equipment is delivered to the site where it is to be used, and the Hedgehog who delivered will assist with installation. After the event, the Hedgehog will assist with the removal of the equipment, and then transport it from the site. The hirer must provide an agreed team of capable helpers to carry out the work. All timings by agreement
3. Third hire alternative - The equipment is delivered to the site, and a team of Hedgehogs install, and after the event, a team of Hedgehogs remove the equipment. All timings by agreement

Rates for up to seven days hire (including delivery and collection) are charged at the four day hire plus fifty percent, and rates for longer periods by agreement.

Charity and Community discounted rates are available

## Conditions of Hire

1. All quoted prices are subject to site conditions, access and availability
2. Hirer is responsible for insuring equipment against damage/personal injury
3. Instructions for erection and dismantling must be followed – exercise great care in windy weather
4. Marquees and lights must be adequately secured using ratchet straps supplied
5. Floor covering by nature of exterior use will require cleaning before use, and may be marked
6. Marquee steel sections should be handled carefully to avoid damage or injury
7. Marquees are flammable – do not place cooking, heating or electrical appliances near the sides/roof
8. Keep marquee exits clear and unobstructed
9. Marquees must be stored dry to avoid mildew damage
10. Hired items must be replaced correctly in the containers provided
11. All electrical supplies used must have safety cut-outs (RCDs)
12. Hedgehogs reserve the right to amend or terminate the hire at any time
